If an address is provided which is different from the permanent address we have on file, we will update the permanent address on file with the address provided on this form and all mailed correspondence will go to the updated address.

In this form, the "Company" refers to the insurance company whose name is checked above. The Company shown above is solely responsible for the obligation and payment of benefits under any policy that it may issue. No other Company is responsible for such obligations or payments.

Section B - Beneficiary Designations

Unless otherwise provided, the right to change the beneficiary is reserved to the owner. Such change will be without prejudice to the company which issued the Policy ("the Company") on account of any payment made or action taken by it before receipt of such notice at its Service Center.

This designation, when filed with the Company, will become effective as of its date of execution (date this form was signed). Such execution will constitute a waiver of any policy provision(s) requiring endorsement of change of beneficiary. All designations are subject to the terms and conditions of the Policy, any indebtedness to the Company and any collateral assignment of the Policy, whether made prior to or subsequent to the date of this designation. The Company is released from all liability by making payment in accordance with this designation and assumes no responsibility for the use of money by any Trustee named herein. If a Trustee is named as the beneficiary, the date and legal title of the Trust must also be included.

If beneficiaries are to receive unequal portions of the death benefit, it must be shown as a percentage of the death benefit and not as specific dollar amounts. In the event no beneficiary survives the insured and this form or the Policy does not provide otherwise, the proceeds will be paid to the policyowner, or the executors or administrators of the policyowner's estate.
